## **Educational Agreement of the Riedschule in Flörsheim**

The Riedschule (Ried School) school community consists of all employees of the Riedschule. The ability to reach the goals, set by the Riedschule, are met with providing a good learning and working environment. The Riedschule tasks and goals are to achieve the best possible development and education for each student/child. These goals are best achieved when all participants, to include teachers, trainers and parent-child partnerships, share part of the educational responsibilities.

The following educational agreement is supposed to help us to fulfill the projected tasks.

### **Educational Agreement:**

**As the school principle I declare ,**

- To provide transparency
- to have „open ears“ for the problems of pupils and their parents

**As a teacher I declare,**

- to accept all students and their parents as persons and conversational partners
- to set clear rules and limits and to see to it that they are followed
- to support and challenge all pupils within their and our bounds of possibilities
- to inform the parents and guardians about school and the learning process of their child
- to treat parents, guardians and children in a friendly and respectful manner
- to provide a learning-enhancing structured working environment at school and to the children while supporting children in their own learning organisation skills
- to be a positive example for the children

**As parents and legal guardians we declare to,**

- to send our children regularly and punctually with the necessary school equipment to school
- to participate in parents' evenings and consultation hours for parents regularly when possible and to also maintain contact with the teachers
- to support our children with their homework and to urge them to do it properly
- to ensure a learning enhancing structure of the working environment at home and to support our children in their learning organisation structure
- to understand the social values, along with the educational experiences associated with field trips and school trips and thereby supporting the school and staff
- to encourage our children to use all kind of media in a sensible and controlled manner
- to be a positive role model for our children
- to be friendly and respectful to the employees of the Riedschule
- to support the school with the taken measures of discipline when school- and class regulations are offenced.

**As a pupil I declare,**

- to participate in and contribute to class
- to follow regulations and agreements
- to follow the Stopp –Rule
- not to hurt, insult or segregate my fellow students
- to bring along all necessary working materials every day and to handle them carefully
- to deal with classrooms as well as the entire school property carefully
- to deal with others in a civilised and polite manner

**we stand together**

I take note of the Educational Agreement of the Riedschule, follow the agreed upon rules and support them in the interest and for the benefit of all persons involved.
